

Our Services

Garden Care: Our flagship service, “garden care” keeps the entire garden looking great year-round for a flat monthly fee. Weekly, bi-weekly or monthly visits usually include as-needed lawn services, garden bed maintenance, shrub trimming and lawn repairs. The legible agreements we provide are tailored to your needs. Inquire for more info today!

Lawn Maintenance & Repairs: Lawn services include cutting the lawn, string trimming the edges and leaf blowing walking surfaces. Lawn repairs can include:

- Dethatching – also known as power raking, dethatching removes excess dead grass.
- Aeration – aeration allows for water, air and nutrients to enter the root zone more efficiently.
- Fertilizing – nitrogen rich fertilizers give lawns their beautiful deep green color.
- Liming – our Pacific Northwest climate results in acidic soils which lime helps remedy.
- Top dressing – a $\frac{3}{8}$ " layer 1:1 sand:soil mix is spread over the lawn.
- Overseeding – a generous amount of grass seed is spread over the whole lawn.
- Spot repairs – grass seed is applied to the bare spots on the lawn.
- Weed control – either manually or with a soap + vinegar spray.
- Grub control – we offer biological treatments including GrubBGon and nematodes.

We Also Offer:

General Information

We pledge to work around adverse weather conditions and statutory holidays to the best of our ability. Please unlock gates or provide codes and/or keys for serviceable areas. Seedlings, saplings, crowded and/or struggling plants can easily be mistaken for weeds. Please install signs for them and/or communicate their specific desirability to help avoid accidental removal. We require 72 hours notice to cancel a service.

Lawn Rejuvenations: Lawn rejuvenations are most effective in early spring and early fall and are perpetual works-in-progress. A lawn rejuvenation is not a guaranteed perfect lawn, rather it is various tasks which we perform to a lawn with need, budget and seasonality in consideration.

Organics: For residential customers, we fill paper garden waste bags and/or green bins for disposal by the city on collection day when possible. For commercial and strata customers we remove them.

Billing: We prefer e-transfer to admin@wrlawncare.com. We also accept cash, cheque and credit card.

Our Mission: To improve lives through garden beautification and great customer experiences.

Our Values:

- Professionalism – our uniformed technicians undergo a thorough recruitment and training process.
- Integrity – we deal with you, the customer, ethically and honestly and uphold our promises.
- Value – we realize a fair and reasonable profit at a reasonable cost to you.
- Quality – our cohesive team and skilled management ensure quality results time and time again.
- Community – we perform various not-for-profit jobs for the betterment of the community.

Inquiries: Please email us your name, address, phone number and a description of the work requested. Thank you for your interest. We look forward to hearing from you!
