Packages:	Bronze	Silver	Gold	Platinum	Diamond

Lawn maintenance includes cutting the lawn, string trimming the edges and leaf blowing walking surfaces

Shrub maintenance includes the shaping of all shrubs, hedges, bushes and small trees under 15' in addition to the removal of dead, dying and diseased branches

Garden bed maintenance includes as-needed garden bed weeding, loose debris removal and enviro-friendly vinegar, salt and dish soap weed control applications

Lawn Rejuvenation + includes:

- Spring lawn, aeration, overseeding, lime and moss control applications
- Spring & fall lawn & shrub fertilizations with ideal NPK ratios
- A summer 'Weed N' Feed' application on lawn and as-needed grass seed spot repairs

Comprehensive Care includes:

- Spring lawn dethatching and top-dressing
- Spring garden bed soil or bark mulch top-ups and bulb splitting
- Spring annual flower planting with flowers such as marigolds and alyssum
- 1 x summer GrubBGon application
- Grass seed spot repairs with the addition of soil when needed and lawn weed control
