Sample Service Packages

White Rock Lawn and Yard Care offers customizable service packages, ranging from 'Bronze' to 'Diamond', as outlined below:

Lawn Maintenance: Lawn maintenance including mowing, string-trimming edges and blowing debris from walkways.

Shrub Maintenance: Shaping of all shrubs, hedges, bushes and small trees under 15' plus removal of dead, dying and diseased branches.

Garden Bed Maintenance: Garden bed weeding, debris removal and eco-friendly garden bed weed control using a natural vinegar, salt, and soap solution.

Lawn rejuvenation: Lawn spot-repairs using grass seed, aeration, overseeding, lime and moss control applications, plus spring & fall lawn & shrub fertilizations and a summer 'Weed N' Feed' application.

Comprehensive: Spring lawn dethatching, top-dressing, garden bed soil or bark mulch top-ups, bulb-splitting, annual flower planting, lawn spot-repairs with the inclusion of soil, lawn weed control, walkway weed-control and one summer GrubBGon application (Please note: complete chafer beetle eradication is not guaranteed).

Invite us to create a quote for you today, to help further our mission of improving lives through garden beautification and great customer experiences.
